#### ▶ **New Library Collection**

A recent generous cash donation enabled the purchase of the 14 book set of **Switzerland Parish Map Guides** and the 1 book set of **Luxembourg Parish Map Guides**.

SIGS is the closest facility housing these complete book sets plus the 68 volume set of the German Parish Map Guides in about 1,000 miles. So take advantage of this resource and let your genealogy friends in the area know about these exciting collections..

Many thanks to member Dorothy Culver for volunteering to help staff the Humble House library on Thursdays while Al Troupe is on vacation. If you'd like to volunteer with the library there are still hours on Tuesdays which need to be filled so that the library can resume it's full schedule.

The thing that interests me  
most about family history  
is the gap between the  
things we think we know  
about our families...  
and the realities.
